About The Kaiser's Sausages

The Kaiser's Sausages offer a fresh, unique and modern approach to serving premium Austrian inspired sausages to the Australian market, with a strong emphasis on quality and consistency across our specialty range.

Founded in Melbourne in 2008, we are committed to delivering an unmatched product offering and an exceptional customer experience on every occasion. Great pride is taken to maintain meticulous preparation and service areas. We ensure that the highest possible sanitary levels are always met and as an environmentally conscious company, all meals are served on recycled, biodegradable materials, therefore minimising environmental impact.

The Kaiser's Sausages source only the best local independent suppliers to produce a selection of unique and authentic Austrian sausages based upon traditional ingredients and recipes. All products and operations comply with the provisions of the Food Act 1984, Health Act 1958, and all other relevant Australian Acts and laws.
