GETTING AROUND

PLAN YOUR NIGHT

We expect a crowd to come out and enjoy White Night Melbourne. As the event runs for 12 hours, think about when to go.

One of the easiest ways to plan your night is to create a My Night Account on the White Night Melbourne website, where you can save your favourite projects and invite others to attend. Some works will accommodate large audiences, with other programme elements having smaller capacities or the possibility of some wait times. So if an area or venue looks too busy, walk another block to discover a new experience.

There are many ways to enjoy a White Night, from joining others in exploring the streets to quiet moments of reflection by the Yarra or in some of the special exhibitions and performances. If you plan on spending a few hours at White Night Melbourne, consider booking a restaurant for dinner, or taking a rest break.

GETTING THERE

There are a wide variety of ways to arrive and depart from the city centre during the evening.

PUBLIC TRANSPORT

Metro Trains, Yarra Trams and bus services (NightRider after 1.30am) will run all night with special timetables operating after 1am.

Visit the Public Transport Victoria website ptv.vic.gov.au for full schedule information. Please ensure you travel with a valid Myki.

Dedicated transport hubs will be located around the city where you can access tram, bus and taxi services:

- Eastbound passengers on Exhibition St
- Westbound passengers via Queen St
- Trams will arrive and depart in the north from Queensberry St and south at St Kilda Rd

City Loop train services will operate as normal until approximately midnight after which Loop stations will be closed.

From approximately 12am – 8am, train services will only depart from Flinders St Station.

BIKE VALETS

Free bicycle valet parking will be offered in the north on Franklin St (enter via Victoria St) and in the south on St Kilda Rd (enter via Southbank Boulevard) from 7pm – 7am.

Many public parking options will be available including limited parking at Melbourne Museum, Arts Centre Melbourne and Federation Square. Visit the White Night Melbourne website for further details.

Drop off points for patrons (including those with accessibility needs) will be located to the south on the corner of St Kilda Rd and Linlithgow Avenue and at the northern end at Russell St and Victoria St.

The majority of road closures will take place from 6pm on Saturday 22 February through to 8am on Sunday 23 February. Roads affected include Swanston St / St Kilda Rd, Flinders St, Collins St, Bourke St, Lonsdale St, Latrobe St and Franklin St. Visit the White Night Melbourne website for more details.
