### *Why we do it*

Love. Fun. Creativity.

Daily, we take the leanest cuts of meat, freshest wholesome ingredients and inspire with our original range of Healthy Sausages.

No pretension, no spin, no ripped off recipes.

At Snagga's Healthy Sausage Experience, we aspire to establish the humble sausage as the greatest food experience in Australia,

Premium cuts of meat, combined with whole fresh ingredients to create a Snag that may drop out a pine nut, sun dried tomato, rice vermicelli or slice of bacon. Accompanied with a contemporary range of dressings and fresh baked rolls, Snagga's Healthy Sausages are available from our Van or delivered to your door.

With our seasonal offerings, everyday, we make a masterpiece!
